MEMORANDUM FOR: James W. Stark
Acting Associate Deputy Administrator
Gulf Coast Recovery Office

FROM: Carlos J. Castillo 
Assistant Administrator
Disaster Assistance Directorate

SUBJECT: Consolidated Appropriations Act – 2008
Public Law 110-161

This memorandum amends my February 19, 2008, memorandum regarding the 2008 Consolidated Appropriations Act and FEMA's efforts to fully utilize the authority provided by Section 552 in order to continue to expedite the recovery of schools in the Gulf Coast.

I stated in the February 19, 2008, memorandum that the part of Section 552 related to section 406(d) of the Stafford Act applied "to publicly owned school sites for grades K thru 12 only." Upon further review, I have determined that the provision related to section 406(d) applies to both private non-profit school sites for grades K thru 12 and publicly owned school sites for grades K thru 12.
