Re: Time Extension for Permanent Work – Calcasieu Parish, FEMA-1603/1607-DR-LA

Dear Colonel Kirkpatrick:

On February 5, 2007, you requested authority to include Calcasieu Parish to the list of approved parishes for extension of permanent work (Categories C-G) on a blanket rather than project-by-project basis.

I have received your second request for a blanket extension for Calcasieu Parish, dated March 16, 2007. After further consideration, I approve your request to allow Calcasieu Parish a blanket 12-month extension for permanent work within the time limits of your authority under 44 CFR §206.204. The completion dates for Category C through G work in Calcasieu Parish will be February 28, 2008 for FEMA-1603-DR-LA and March 22, 2008 for FEMA-1607-DR-LA.

This approved blanket extension does not relieve the Grantee from submitting the required quarterly progress reports in accordance with 44 CFR §206.204(f).

Please do not hesitate to contact me if you need any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Stark".
